Technical Terms:

- Certificate of No Marriage Record (CENOMAR) is a certification issued by the Philippine Statistics Authority (PSA) stating that a person has never contracted any marriage.
- Certificate of Marriage (CEMAR) is a certification issued by the Philippine Statistics Authority (PSA) whose names appear in the National Indices of Marriage. Hence, the person is considered to be married by the civil registry.
- Certificate of No Death Record (CENODEATH) is a certification issued by the Philippine Statistics Authority (PSA) that an individual's death record does not appear on the database.
