2.2.1.a When do you receive most of the number of New applications?

2.2.1.b When do you receive most of the number of Renewal applications?

2.3. Does your office use the prescribed UBPAF in Business Registration? please specify why?

2.3.1. If yes, does it include an item for the Philippine Standard Industrial Classification (PSIC)? Please Specify why?

2.4. What system does your office use in processing business permit and license applications?

2.4.1 How does your office develop and maintain the e-BPLS/ ETRACS/other system?

2.4.2. Type of data file produced

2.5. Did your office encounter difficulties in using the prescribed e-BPLS of DICT?

2.5.1 If yes, cite the reasons that hinder the utilization of e-BPLS of DICT?

2.6. Is your office aware on the Philippine Standard Industrial Classification (PSIC)?

2.6.1. If yes, cite the source/s of information.

2.7. Does your system incorporate PSIC in classifying the line of business or main economic activity?

2.7.1. What version of PSIC is your office currently using? Older Version of PSIC, please specify:

2.7.2. If no, does your system capable of adopting PSIC?

2.8. Does your office encounter difficulties in adopting the PSIC?

2.8.1. Cite the reasons that hinder the adoption of PSIC?

2.9. What kind of technical assistance your office needs to fully adopt the PSIC?

2.10. Did your office attend/ participate in trainings/orientations or capacity building on the PSIC conducted by the PSA?

2.10.1. If yes, which office attended/participated the trainings/orientations or the capacity building on the PSIC?

2.11. What is the level of knowledge about the PSIC of your BPLO?

2.12. How significant or useful the PSIC in your office?

2.13. Is your office aware of the Philippine Standard Geographic Code (PSGC)?

2.13.1. If yes, cite the source/s of information.

2.14. Does your system incorporate PSGC in the classifying geographic units?

2.14.1 What version of PSGC is your office currently using? Please specify year and quarter

2.14.2 If no, does your system capable of adopting PSGC?

2.15. Does your office encounter difficulties in adopting the PSGC?

2.15.1 If yes, cite the reasons that hinder the adoption of PSGC?

2.16. What kind of technical assistance your office needs to fully adopt the PSGC?

2.17 Did your office attend/participate in trainings/orientations or capacity buildings on the PSGC conducted by the PSA?

2.17.1. If yes, which Office attended/participated the trainings/orientations or the capacity building on the PSGC?

2.18 What is the level of knowledge about the PSGC of your BPLO?

2.19. How significant or useful the PSGC in your office?

2.20.1 Aside from PSIC and PSGC, is your office using the following standard statistical classification system? [Philippine Standard Classification of Education (PSCED)]

2.20.2 Aside from PSIC and PSGC, is your office using the following standard statistical classification system? [Philippine Standard Occupational Classification (PSOC)]

2.20.3 Aside from PSIC and PSGC, is your office using the following standard statistical classification system? [Philippine Classification of Individual Consumption According to Purpose (PCOICOP)]

2.20.4 Aside from PSIC and PSGC, is your office using the following standard statistical classification system? [Philippine Central Product Classification (PCPC)]

2.20.5 Aside from PSIC and PSGC, is your office using the following standard statistical classification system? [Philippine Standard Classification of Crime for Statistical Purposes (PSCCS)]

2.20.6 Aside from PSIC and PSGC, is your office using the following standard statistical classification system? [Philippine Standard Commodity Classification (PSCC)]

2.21.1 How significant or useful are the following standard statistical classification systems in your office? [Philippine Standard Classification of Education (PSCED)]

2.21.2 How significant or useful are the following standard statistical classification systems in your office? [Philippine Standard Occupational Classification (PSOC)]

2.21.3 How significant or useful are the following standard statistical classification systems in your office? [Philippine Classification of Individual Consumption According to Purpose (PCOICOP)]

2.21.4 How significant or useful are the following standard statistical classification systems in your office? [Philippine Central Product Classification (PCPC)]

2.21.5 How significant or useful are the following standard statistical classification systems in your office? [Philippine Standard Classification of Crime for Statistical Purposes (PSCCS)]

2.21.6 How significant or useful are the following standard statistical classification systems in your office? [Philippine Standard Commodity Classification (PSCC)]

3.1. Does your office generate statistical tables from the BPLS/ETRACS or other system?

3.1.1. If yes, what is the Process of Tabulation?

3.1.2. List of statistical tables generated from the BPLS/ETRACS or other systems

Frequencies of data generation

File Type of Data generated

4.1. Which of the following information is your office collecting?

4.2. Is your office willing to share all the data items you answered in Q.4.1?

4.2.1. If no, what are the data items your office can only share to the PSA?

4.2.2. If you answered "NO" in Q.4.2, what are the requirements needed by your office to share all the data items answered in Q.4.1?
