PSA RSSO 4A Hosts 3rd Suppliers' Forum Virtually, Expanding Reach and Accessibility

Date of Release: 31 March 2025

Reference No. 2025-0400-PR13

On March 28, 2025, PSA RSSO 4A successfully conducted its 3rd Suppliers' Forum which aims to familiarize the suppliers with the processes and flows of the various aspects of procurement, payment, and standard forms/documents, to extend equal opportunity for all suppliers to raise their queries and clarifications relative to the procurement process being implemented by the PSA, and to create partnership with suppliers with mutual understanding and respect on each party's

rights and needs. Unlike the forums held in 2023 and 2024, this year's event was conducted virtually. The decision to go online aimed to accommodate suppliers and service providers who faced challenges with attending in person due to factors such as distance, scheduling conflicts, or logistical constraints. This virtual format allowed for wider participation and ensured that key stakeholders could still engage in the forum's discussions and updates. During the open forum, the suppliers were able to raise their questions and concerns which were diligently answered by the resource speakers and PSA RSSO 4A procurement team leaders.
