There were 641 sample households/housing units in Quezon covered in this survey, adopting the 2023 Geo-Enabled Master Sample. These were located in seventeen (17) sample municipalities and one city of the province. With this, PSA Quezon hired eight (8) Statistical Researchers (SRs) to the conduct of the said survey that run from February 5 until March 6, 2024. Also, Computer Assisted Personal Interviewing (CAPI) data collection method was employed for this survey using android tablets.

Provincial Statistics Officer Airene A. Pucyutan of PSA - Quezon enjoins everyone, especially the sample households to support this statistical activity by providing accurate and complete information to the authorized data collectors of PSA. The information collected shall be treated with utmost confidentiality as mandated under Section 26 of the Republic Act 10625.

PSA QUEZON LEADS CRM MOTORCADE

PSA Quezon in partnership with the Local Civil Registry Offices (LCROs) of Quezon kicks off the celebration of the 34th Civil Registration Month (CRM) with a motorcade on February 08, 2024. This year's celebration is bannered with the theme, "CRVS: The Future of Seamless Services".

CRM celebration aims to raise public awareness on the importance of civil registration and vital statistics. It also reminds the Filipino people of their responsibility to register vital life events and appreciate the legal and administrative value of civil registry documents and the statistics derived from them.

The motorcade was participated by the forty-one LCROs of Quezon province. It was also joined by DFA Lucena, Radyo Pilipinas, Pacific Mall and other government agencies traversing the main roads within Lucena City.

The annual celebration of the Civil Registration Month (CRM) is pursuant to Proclamation No. 682 "Declaring the Month of February of every year as Civil Registration Month signed by the then President Corazon C. Aquino.

There were 27,081 responding households with a total of 106,905 individuals covered in the CBMS. Senior Statistical Specialist Margarita G. Cada presented the highlights of the results from the Household and Barangay Profile Questionnaires which included the basic services such as electricity, internet, water, toilet facilities, safety, food insecurity, and disaster preparedness, among others. The LGU can now use the data derived from the CBMS for program planning and policy formulation, according to SrSS Cada.

Mayor Reynoso-Pontioso, in her acceptance message, said "...Malugod ko pong tinatanggap, maraming salamat po, at ang Tayabas ay isa sa nahirang sa napakaraming naghahangad na magkaroon ng ganitong data, magkaroon ng ganitong klase ng survey, maraming maraming salamat po...Ito pong mga nakita nating data sa harap ay pasilip lamang, mas marami pa pong kasama sa ating nai-turnover at napakahalaga po ng data nito, bakit? Sapagkat ito po ang magiging giya ng inyong lingkod, ng ating mga department heads, at lahat po ng bumubuo ng lokal na pamahalaan ng Lungsod ng Tayabas, para mas maging maayos, mas maging komprehensibo, mas maging napapanahon ang mga programa at proyekto na ating gagawin para sa ating lungsod. Napakahalaga po nito dahil nais po nating tugunan ang tunay na kalalagayan sa ating mga barangay. Kaya sa lahat ng mga naging bahagi noong 2022 CBMS, maraming salamat po, at sa mga magiging bahagi pa nitong 2024 roll-out, napakahalaga po na magkaroon tayo ng tamang impormasyon para sa atin pong panunungkulan dito sa pamahalaan ay naaayon din po ang ating mga plano, sapagkat tayo po ay nagpapalano in advance. Malalaman po natin sa ating barangay sino ba ang dapat nating bigyan ng priyoridad? Ano ba ang ating magiging priyoridad sa mga susunod na taon? Ano ba yung tunay na pangangailangan ng mga Tayabasin? Kaya po sa puntong ito ako po ay nagpapasalamat sapagkat hindi na po ako maliligaw. At sabi ko nga po, ito (CBMS data), kayo, ang aking magiging tanglaw. Maraming salamat po".
