Katulad po ng mga nabanggit na nakaranas na hindi kumain sa isang araw ay mabigyan po sila ng agricultural input para matugunan ang ganitong sitwasyon. Marami pa pong challenges ang ating mga mamamayan, at sa tulong po ng provincial at national government ay patuloy po tayong nagsasagawa ng mga programa para ma-uplift ang pamumuhay ng ating mga mamamayan. Ang mga datos pong ito ay napakahalaga lalo na po sa pag-implement ng mga programa sa social services, pang-agrikultura, maari rin sa housing, at marami pang paggagamitan ng datos na nai-turover sa atin. Kaya muli po ay maraming salamat sa mga naging instrumento sa pagiging successful ng 2023 CBMS at muli po para naman sa susunod na 2024 POPCEN-CBMS."

PSA QUEZON CONDUCTS VARIOUS PHILSYS ONSITE REGISTRATION

PSA Quezon conducted various PhilSys onsite registration in several municipalities of the province in partnership with Department of the Interior and Local Government (DILG) through the Retooled Community Support Program (RCSP). The objective of this activity is to reach out to identified barangays who needs immediate assistance, on various government projects, application for government services and creation of livelihood programs. With this, PSA brings PhilSys registration closer to the community by providing onsite registration. Unregistered individuals were encouraged to register to PhilSys to provide them with valid proof of identity that they can use in private and government transactions.
