The Philippine Statistics Authority - Quezon commenced the pilot implementation of the PhilSys Updating Service in Quezon province on June 2024. The Updating Service enables PhilSys-registered clients to modify or correct their demographic information such as correction of name, birthdate, birthplace, address, blood type, gender, marital status and typographical error in the PhilID card subject to the presentation of valid supporting documents. Updating service is available at the PhilSys Fixed Registration Center - 3rd Floor Pacific Mall - Lucena City, Quezon.

Other PhilSys services include the registration of children 1-4 years old, same day issuance of ePhilID after successful registration, Transaction Reference Number (TRN) verification, Replacement of Peeled-Off/Damaged PhilID card, Return To Sender (RTS) delivery and the Digital National ID.

Furthermore, PhilSys continues its efforts and commitment to register every individual by conducting various mobile registration activities particularly in schools, Daycare Centers, onsite registration in National Government Agencies in Lucena City

(SSS, Philhealth, NBI), barangays and institutions. These initiatives aim to bring the registration closer to the public.

As of June 2024, there are 1,827,566 individuals in Quezon province who have registered to PhilSys. Relying parties must honor and accept any format of PhilID (PhilID card or the physical card, ePhilID printed on paper and the Digital National ID) subject to proper authentication. Moreover, PSA encouraged unregistered individuals to register to PhilSys to immediately enjoy the benefits of PhilSys such as better access to more financial and social protection services.
