

PRESS RELEASE

PSA Batangas Integrates National ID Registration in Civil Registration Mobile Outlet Activity in the Municipality of San Juan

Date of Release: 14 February 2025
Reference No. 2025-007

The National ID Registration Team in Batangas facilitates the registration of residents from various barangays in the Municipality of San Juan.

The Philippine Statistics Authority (PSA) Batangas successfully integrated the National Identification System (NID) registration during the Civil Registration Mobile Outlet Activity held in Barangay Buhay na Sapa, San Juan, Batangas on February 13, 2025. This initiative aimed to provide residents of the Municipality of San Juan with convenient and accessible registration services while availing themselves of other PSA Batangas services.

To better serve the community, the National ID Registration Team of PSA Batangas set up a dedicated booth for the NID registration and ePhilID issuance. Throughout the activity, the team successfully registered 52 individuals and issued a total of 25 ePhilIDs, ensuring more citizens gain access to a secure and reliable form of identification.

The integration of NID registration in mobile outreach activities underscores PSA Batangas' commitment to making essential government services more accessible to the public. By bringing the registration process closer to communities, PSA Batangas continues to support the efficient implementation of the NID System and improve service delivery for all residents.

REPUBLIC OF THE PHILIPPINES
PHILIPPINE STATISTICS AUTHORITY
RSSO IV-A - BATANGAS

PSA Batangas encourages those who have yet to register for the National ID to take advantage of future mobile registration activities. The agency remains dedicated to fostering a seamless and inclusive registration process for Filipinos nationwide.
