Provincial Statistical Office (PSO) Batangas with the Regional Statistical Services Office (RSSO) IV-A CALABARZON, joined the celebration of Linggo ng Kabataan 2024 One-Stop-Shop and Blood Letting Activity held at the Batangas Provincial Auditorium on August 15, 2024, offering vital services to the community and promoting the active involvement of the youth.

During the event, PSO Batangas and RSSO IV-A CALABARZON provided mobile acceptance of civil registry documents, including birth, death, marriage certificates, and Certificates of No Marriage (CENOMAR). This service was made accessible to the public to ensure that participants could easily obtain necessary documents without the need to travel to distant offices.

In addition, PhilSys registration services were available on-site, allowing participants who had not yet registered for the National Identification System. This service aimed to support the ongoing efforts to increase the number of registered citizens, particularly among the youth, ensuring that they have access to the benefits and services associated with having a national ID.

The Linggo ng Kabataan 2024 One-Stop-Shop and Blood Letting Activity was a testament to the strong partnership between government agencies and local communities, emphasizing the importance of youth participation in public service initiatives.

PSO Batangas and RSSO IV-A CALABARZON remain committed to delivering efficient, accessible services and supporting programs that empower the youth and improve the quality of life for all citizens.
