

PRESS RELEASE

PSA Batangas Extends Civil Registration to House of Representatives

Date of Release: 31 July 2025
Reference No. 2025-023

PSA Batangas CRS Mobile Outlet Team, bringing the service closer to the House of Representatives personnel.

QUEZON CITY – On July 30, 2025, the Philippine Statistics Authority (PSA) Batangas brought its Civil Registry System (CRS) Mobile Outlet to the House of Representatives in Batasan, Quezon City. The activity was held in response to a request from Congressman Robert Nazal of the Bagong Henerasyon Partylist, with the goal of bringing civil registration services closer to the personnel of the House.

Through the CRS Mobile Outlet, PSA Batangas provided on-site processing and issuance of civil registry documents such as birth, marriage, and death certificates. A total 54 clients were successfully served and 134 documents were processed. PSA personnel were also present to answer questions and provide support on civil registry matters, ensuring an accessible and efficient delivery of services to all participants.

This initiative is part of the PSA's continuing efforts to expand its reach and bring quality public service directly to government offices, institutions, and communities.
