

PRESS RELEASE

Mobile Civil Registration and National ID Services Brought Closer to Talisay Residents

Date of Release: 09 May 2025

Reference No. 2025-014

PSA Batangas mobile CRS and National ID registration teams assist clients during the one-day service caravan at Talisay Municipal Hall

In a concerted effort to bring essential government services closer to the community, with the coordination of the Local Government Unit (LGU) of Talisay and the Local Civil Registry Office (LCRO) Talisay, PSA Batangas successfully organized a one-day mobile Civil Registration System (CRS) outlet at the Talisay Municipal Hall on May 7, 2025.

The mobile CRS outlet, requested by the LGU and LCRO, enabled clients to conveniently request copies of PSA civil registry documents with same-day issuance. In support of the initiative, the National ID Registration Team also joined the activity by setting up a registration booth on-site.

The registration team catered to **65 individuals**, the majority of whom were senior citizens, ensuring their inclusion in the National ID System and improving their access to various public and private services.

This joint effort highlights the strong collaboration between local government offices and PSA Batangas in making vital services more accessible to the people, especially to those who may face challenges in visiting regular service centers.
