Civil registration is a continuous, permanent, and compulsory recording of vital events occurring in the life of an individual such as birth, marriage, and death as well as court decrees, and legal instruments affecting his civil status in appropriate registers as mandated by Act No. 3753, the Civil Registry Law.

In this September 2024 issue, the Philippine Statistics Authority of Rizal presents the number of births, marriages, and deaths registered by the city and municipalities in the

province are preliminary results from the Decentralized Vital Statistics System 2011 based on the documents submitted (Timely and Late Registered) by the Local Civil Registry Offices in Rizal.

BIRTH STATISTICS

Table B.
Registered Live Births by
City/Municipality and
by Sex, Rizal: September 2024

Live Birth is a complete expulsion or extraction from its mother of a product of conception, irrespective of the duration of the pregnancy, which after such separation, breathes or shows any other evidence of life, such as beating of the heart, pulsation of the umbilical cord, or definite movement of voluntary muscles, whether or not the umbilical cord has been cut or the placenta is attached-each product of such a birth is considered live born.

The Province of Rizal recorded 3,801 registered live births for the month of September 2024. This represents 0.31 percent increase based on the 3,813 registered live births from the previous month, i.e., August 2024.

The City of Antipolo had the highest contribution of live births in the province of Rizal as of September 2024 with a total of 1,194 registrations, followed by Rodriguez with 490 registrations, and Taytay with 454 registrations, while the Municipality of Jalajala had the least contribution, with only 15 recorded live births.

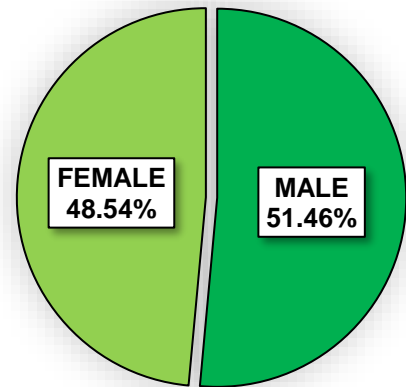

There were around 122 newborn babies daily in the province for the month of September 2024.
