## PHISYS TEAM OF PSA QUEZON REGISTERS RESIDENTS OF CAGSIAY III TO PHILSYS

from Page 1

The main objective of the activity is to ensure that all residents of Mauban Quezon including the Indigenous Peoples are included in the National Identification System. As part of the information awareness campaign during the event, there was a discussion on the importance of being PhilSys-registered and how registrants can utilize the PhilID for social protection programs and other transactions that requires a valid ID. Demonstration on how to generate, view and download the Digital National ID using the national-id.gov.ph application was promoted through the distribution of flyers. Attendees were also reminded on the acceptability of National ID in any of its authorized format (Physical PhilID card, ePhilID, Digital National ID) as a valid proof of identity and age when transacting with the government and private institutions. Also touched were topics on tracking, retrieval and verification of the status of clients' PhilID as well as the acceptance of application for the replacement of peeled off/damaged PhilID card. In this event, a total of one hundred-sixty (160) registrants were successfully registered including five (5) Dumagat IPs.

*Long lines form as residents of brgy. cagsiay III, Mauban, Quezon wait for their turn to register for PhilSys*

## INFLATION RATE RECORDED AT 5.7 PERCENT INCREASE IN QUEZON FOR THE MONTH OF JULY 2024

The headline inflation or overall inflation in Quezon increased to 5.7 percent in July 2024, from 5.3 percent in June 2024. This brings the average inflation rate of the province from January to July 2024 to 3.3 percent. In July 2023, inflation rate was lower at 2.2 percent.

The uptrend in the overall inflation in July 2024 was primarily influenced by the higher year-on-year increase in the heavily-weighted food and non-alcoholic beverages at 9.7 percent during the month, from an annual increase of 9.4 percent in June 2024.

Moreover, higher inflation rates during the month were also noted in the indices of transport at 7.2 percent and education services at 8.3 percent from their respective inflation rates of 5.3 percent and 5.8 percent in the previous month.
